Kendrick Equipment has sold and serviced marine, industrial, and municipal equipment for over 30 years. Over this time we have tried dozens of different types of oils and lubricants in our equipment searching for the best product. The Lubri-Lab product is now our go to for all of our lubrication needs. Whether it's Lubri-Lab grease or chain and cable lube for our Marine Travelift boat hoists or extra diesel in hydro-vac trucks we can be rest assured we're using the highest quality product.
